

Kyrene Parent Network August 14, 2007 Meeting Highlights

Our Superintendents, Mr. Steve Adolph of Tempe Union High School District and Dr. David Schauer of Kyrene Elementary were KPN's very, special guests for our September meeting.

They were so engaging and responsive to our audience, we actually adjusted our agenda so they could stay longer and address more questions and concerns. Questions ranged from those on unification, to class size to high school capacities and boundaries, all of which will be addressed in some way by Kyrene Parent Network this year, so stay tuned.

KPN would like to sincerely thank **Dr. Schauer and Mr. Adolph** for taking the time to be with all of us. It was great!
