

Tempe Union High School District Offers Online Classes

Students interested in taking an online class may visit the District's website at www.tuhsd.k12.az.us to view the online classes that are available. The online courses are located in the curriculum section of the website.

Courses are developed and taught by Tempe Union teachers. The course content is equivalent to our face-to-face courses as determined by a jury made up of district colleagues who are content and technology experts. For the 2008-09 school year, twenty-seven courses are available for TUHSD students to take. They are: Entrepreneurship, Computer Applications, Accounting 1-2, Freshman English, Honors Freshman, Sophomore English, Honors Sophomore English, Junior English, Honors Junior English, Senior English, Humanities/Composition, American Studies, Life 101, AP Art History, Living World, Physical World, Earth Science, American/Arizona History, World History/Geography, Honors World History/Geography, U.S./Arizona Government, Economics, Honors Economics, Criminal Justice in the Classroom, AP European History and Health Education. More courses are being developed and will be added as we expand this program.

Registration for online classes is as simple as asking a counselor at the high school. Fees are determined according to the student's current course schedule. If applicable, fees are \$135 per semester class.

For additional information, please call (480) 345-3798.
